MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 3640, A Bill to Provide That Any  
Person Aggrieved by a Final Decision  
of the Employees' Compensation Board  
May Bring Action on His Claim in a  
United States District Court

We have established special agreements with the Bureau of Employees' Compensation for handling certain of our cases on a classified basis. If any of these claimants were to appeal to a Federal District Court under the provisions of this bill, difficult security problems would arise. We would therefore suggest that the views of the Director of Security as well as those of the General Counsel be invited.
